Difficulty of judging actual values makes it easy for those who depend on high prices to put on large profits, and while money is often willingly paid for a beautiful hat or bonnet, it is no excuse for asking exorbitant prices. We are here to stay and intend to please the people.

The large crowds and splendid sales at our opening prove the appreciation of our policy of selling Millinery at moderate prices.

Smartness In Clothing

There is more in clothing perfection than mere fit-though that's important.

WOMEN'S COSTUMES REDUCED

Napanee.

If we held to precedent we would not reduce the price on this class of goods for a couple of months to come,

But there's no reason why they should not be worn now at a price eaving to their wearers, and frankly, we would much rather prefer the room they take up. So a group of--Costumes get their price reduction now. Some \$7.00 kinds for \$5.00, \$12.00 for \$9.00, \$17.00 for \$10, Nearly all sizes are represented. You have seen and admired them. All men tailored goods. The styles are exclusive, and this is the 22d of May and the Costumes are intended for wear all the year round.
